

## Reinstatement of Certification After Lapse

### **Lapsed Certificate Requirements:**

The Prevention Certification Board of New Hampshire approved the following requirements for reinstatement of certification for individuals whose Prevention Specialist Certification (CPS) lapsed:

- 20 CEUs per year since last certification/recertification across the 6 domains
- A minimum of 6 of the total CEUs must be in Prevention Ethics related
- No test requirement
- Narrative about the domains – to be judged using the same rubric as the narrative in initial application
- One letter of recommendation- (recommendation not required to be from a CPS, but encouraged)
- Fees for Reinstatement of Lapsed Certificate:

Recertification:	\$100
Reinstatement:	<u>\$150</u>
Total Reinstatement Fee:	\$250

“Lapsed” is defined as an existing certification that was not renewed within the 6 month grace period after the expiration date on the certificate.
